

# Dental Team Qualifications

Brochure

Information for DTQ Prospective Centres

---

Help to drive the future of dental education, with a forward thinking approach that recognises the importance of developing the whole team through inter-professional education.

DTQ

are an innovative awarding body  
who are not afraid of change ...  
we encourage it.

## Qualifications

We offer a range of specialist qualifications to provide professional development to both GDC and non-GDC registered members of the dental team.

- Dental Administration
- A range of clinical skills qualifications
  - Clinical Photography
  - Impression taking
  - Model casting
  - Construction of vacuum formed appliances
  - Intra-oral scanning
  - Topical Fluoride Application
- Oral Health Education
- Orthodontic Dental Nursing
- Dental Education and Assessment

If you are an organisation wishing to provide education and training for the qualifications awarded by DTQ we'd love to hear from you!

Before you can become an approved centre with us, you must evidence that you can meet DTQ's Accreditation Standards, which outline the criteria that our course providers are required to meet.

## Standards for accreditation

DTQ's accreditation standards are set out in four categories:

1. Commitment to education
2. Administration processes
3. Delivery and support
4. Assessment and Quality Assurance

The Standards take into consideration the GDC Standards for Education that course providers are expected to meet for training programmes to be accepted for registration.

## Price Plans

Initial centre approval      £1500

Annual re-approval\*\*      £250

*\*\*Required to ensure approved centres continue to meet the DTQ standards for accreditation*

To build your package, simply choose from the DTQ qualifications you wish to deliver.

**Initial centre approval + Course add-on fee + Assessment fees \*per learner = your package**

N.b - You will need to be re-approved as a DTQ centre annually.

*For Example: Deliver the Award in Clinical Photography for 10 learners*

*Year 1: 1500 + 300 + 500 (50x10 learners) + 300 (30x10 learners) = £2600*

*Year 2 onwards: 250 (annual re-approval fee) + 300 + 500 + 300 =*

*£1350*

The table below explains the fees for each course:

Tier	Qualification title	Add-on Price	Assessment fees per learner	
			E-Record of Assessment	E-Assessment
Award	Clinical Photography	£300	£50 **	£30 **
	Impression Taking			
	Model Casting			
	Intra-oral Scanning			
	Topical Fluoride Application			
	Construction of Vacuum Formed appliances			
Certificate	Dental Administration	£500		£60 **
	Oral Health Education			
	Orthodontic Nursing			
	Dental Education and Assessment			

*\*\* Discounts applied off learner fees:*

*26-50 learners save 2.5% / 51-75 learners save 5% / 76+ learners save 7.5%*
